To Whom It May Concern:

We are concerned about the absence of customary legal safeguards and what appears to be a massive abuse of human rights in Argentina.

Some of the arrestees may have been involved in subversive activity, but we have reason to doubt that the individual we are inquiring about has ever engaged in subversion.

We are concerned with: Ms. Emma Raquel Konig, an Argentine citizen, approximately 27 years old, who was interrogated by the police on or about May 27, 1976 in the province of Cordoba. Ms. Konig is a student at the University of Cordoba (Sciences of Education).

My husband and I are appealing on behalf of this young woman's humane and legal considerations.

Should your office have any information about Ms. Konig, please write to us:

Thank you,
